Summer is nearly here.

Here at Sydney HeliTours we love great weather and get excited when there are blue skies above.

The best way to see Sydney's icons and the wonderful beaches this summer is by helicopter.

For that extra thrill why not try our "Doors Off" adrenaline filled helicopter flight.

Helicam

With our unique camera system all the memories of a Sydney HeliTours helicopter flight will be captured and recorded onto a DVD that can be taken as a fantastic souvenir of the flight.

Two high quality video cameras are mounted on the aircraft, showing both the inside and outside views, giving you the opportunity to relive every moment of the flight including footage of yourself.

Gift Vouchers now available

Give that special person in your life a Sydney HeliTours gift voucher and an experience they will never forget – they will love it.

A scenic flight or luncheon day trip gift voucher is a perfect gift for family, friends and loved ones.

We look forward to showcasing the spectacular Sydney Harbour to you.
